Please see Section 10.d of this Agreement for more information.

3. **FEES, PAYMENT AND TERM OF SERVICE.** As consideration for the services you purchase, you agree to pay VeriSign the applicable service(s) fees set forth on our Web site at the time of your selection, or, if applicable, upon receipt of your invoice from VeriSign. All fees are due immediately and are non-refundable, except as otherwise expressly noted in one or more of Schedules A through R. Unless otherwise specified herein, each VeriSign service is for a one-year initial term and renewable thereafter for successive one to ten-year terms, as set forth during the renewal process. Any renewal of your services with us is subject to our then current terms and conditions, including, but not limited to, successful completion of any applicable authentication procedure, and payment of all applicable service fees at the time of renewal and in the case of domain name re-registration, the domain name registry's acceptance of your domain name registration. You agree that, by maintaining the reservation or registration of your domain name after modifications to the dispute policy become effective, you have agreed to these modifications. You acknowledge that if you do not agree to any such modification, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

7. You agree that, if your use of our domain name registration services is challenged by a third party, you will be subject to the provisions specified in our dispute policy in effect at the time of the dispute. For any dispute with, or challenge by, a third party concerning or arising from your use of a domain name registered with us or your use of our domain name registration services, you agree to submit to subject matter jurisdiction, personal jurisdiction and venue of the United States District Court for the Eastern District of Virginia, Alexandria Division and the courts of your domicile. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions set forth below in this Agreement. If we are notified that a complaint has been filed with a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may not allow you to make changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name record into the registry of the judicial body by supplying a party with a registrar certificate from us. You agree that we will comply with all court orders, domestic or international, directed against you and/or the domain name registration.

8. No Guaranty. You agree that, by registration of your chosen domain name, such registration does not confer immunity from objection to either the registration or use of your domain name.

9. Revocation. You agree that we may suspend, cancel or transfer your services, including, but not limited to, domain name registration services in order to: (i) correct mistakes made by us, another registrar or the registry in registering your chosen domain name, or (ii) to resolve a dispute under our domain name dispute policy.

10. In the event the Agreement or this Schedule terminates, Sections 4, 5, 6, 7, 9 and 10 of this Schedule shall survive such expiration or termination.

SCHEDULE D TO VERISIGN SERVICE AGREEMENT ADDITIONAL TERMS APPLICABLE TO REGISTRANTS OF .TV, .BZ, .NU, .CC AND .WS DOMAIN NAMES.

In addition to the terms set forth in Schedule A, the following terms shall apply to registrants of .tv, .cc, .bz, .nu and .ws domain names. Your registration of a domain name in the .TV, .CC, .BZ, .NU or .WS top-level domain ("New TLD Domain Name"), is subject to policies established or revised from time to time by the registry for such New TLD Domain Name ("New TLD Registry"), in its capacity as the registry for its respective Top Level Domain. Each respective New TLD Registry's current policies ("New TLD Registry Policies") are available for you to review at each New TLD's respective website (for example, the registry policy for .nu can be found at <http://punames.nu/about/terms.cfm> and the registry policy for .bz can be found at <http://www.belizeinfo.bz/terms.php>).

You agree to be bound by and comply with the applicable New TLD Registry Policies, including amendments and modifications thereto, with respect to your New TLD Domain Name registration. Such policies shall not alter the terms and conditions of this Agreement. To the extent there is a conflict between the New TLD Registry policies and the terms of this Agreement, the terms of this Service Agreement shall prevail. You agree that the New TLD Registry has the right to enforce the New TLD Registry Policies.

SCHEDULE E TO VERISIGN SERVICE AGREEMENT SPECIAL NOTICE AND DISCLAIMER FOR MULTILINGUAL DOMAIN NAME REGISTRATIONS

In addition to the terms set forth in Schedule A, the following terms shall apply to Multilingual Domain Names ("MDN"). We currently are making MDN registration services available to you as part of our participation in a test bed ("Test Bed") being conducted by VeriSign Global Registry Services for the purpose testing proposed standards for deployment of MDN technology and to provide operational experience with those proposed standards.

WE EXPRESSLY DISCLAIM ANY WARRANTY THAT CURRENT OR FUTURE ENCODING SCHEMES, PROTOCOLS AND OTHER MDN-ENABLING TECHNOLOGIES, WHETHER PROVIDED BY US OR OTHERWISE, WILL BE APPROVED BY INTERNET STANDARD-SETTING BODIES OR OTHERWISE SUCCESSFULLY DEPLOYED. WE EXPRESSLY DISCLAIM ANY WARRANTY THAT THE TEST BED WILL CONTINUE OR THAT OUR MDN REGISTRATION SYSTEM WILL INTEROPERATE PROPERLY WITH THE CURRENT OR FUTURE TEST BED OR THE MDN-ENABLING TECHNOLOGIES OF OTHERS.

You assume all risks inherent in the experimental nature of this service and the technologies supporting it. The encoding schemes, protocols and other MDN-enabling technologies are not within our control and are subject to change without notice. You assume all risks that such changes may impair or prevent your ability to use the MDN you have registered. You further understand and agree that we may interrupt or deny MDN registration services to you, temporarily or permanently, as a result of such changes. You further assume all risks that the Internet addressing system will not recognize an MDN you have registered or otherwise will not enable such MDN to function as an Internet address. We may, but shall not be obligated to, make any and all modifications to an MDN registration, including without limitation changing the MDN's ASCII-based translation, that we deem necessary or appropriate for the purpose of bringing an MDN registration into conformance with evolving technical standards. Such modifications may be made without notice to you. In the event we elect to make such modifications, you agree to hold us harmless from any claims, liabilities or demands arising from such modifications. Before registering an MDN, we strongly recommend that you review and become familiar with the "Multilingual Domain Name Position Paper," published on the website of VeriSign Global Registry Services, currently located at the following url: <http://www.verisign-grs.com>. You specifically acknowledge and agree that an MDN shall be considered a domain name for purposes of the Domain Name Dispute Policy and the provisions relating thereto in this Agreement. Notwithstanding anything to the contrary contained in the Domain Name Dispute Policy, you agree that during the Test Bed we may terminate your registration of an MDN in our sole discretion without notice to you if, within 45 days of your registration, we receive a formal, written objection to the registration by any legitimate authority, including without limitation a trademark owner or governmental entity. Our right of termination under this provision shall continue until such time as: (1) VeriSign Global Registry Services publicly announces that its Test Bed is complete; and (2) we determine in our sole discretion that all of the encoding schemes, protocols and other MDN-enabling technologies that are used to provide your MDN registration services have been approved by appropriate standard-setting bodies.

SCHEDULE F TO VERISIGN SERVICE AGREEMENT ADDITIONAL TERMS APPLICABLE TO SERVICES IN CONNECTION WITH .BIZ TLD.

In addition to the terms set forth in Schedule A, the following terms shall apply to .biz domain names.

1. Additional Representations and Warranties. If you are applying for the registration of a domain name in the .biz top-level domain ("TLD"), you also represent and warrant that: (i) the domain name will be used primarily for bona fide business or commercial purposes and not (a) exclusively for personal use or (b) solely for the purposes of selling, trading or leasing the domain name for compensation, or the unsolicited offering to sell, trade or lease the domain name for compensation; and (ii) the domain name is reasonably related to your business or intended commercial purpose at the time of registration.

2. Acknowledgment of Dispute Policies and Rules. The registrant acknowledges having read and understood and agrees to be bound

by the terms and conditions of the following documents, as they may be amended from time to time, which are hereby incorporated and made an integral part of this Agreement: (i) The Uniform Domain Name Dispute Policy, available at <http://www.icann.org/udrp/udrp.htm>; (ii) The Start-up Trademark Opposition Policy ("STOPP"), available at <http://www.neulevel.com/counterdown/stopp.html>; (iii) The Restrictions Dispute Resolution Criteria and Rules, available at <http://www.neulevel.com/counterdown/rdrp.html>. If at the time of your application for services in the .biz TLD, any of the above policies or rules (collectively "biz Policies") have not yet been approved by ICANN (which may mean the biz Policies are not available for viewing via live hyperlinks above), you agree to be bound by the terms of such biz Policies upon such approval and in the final form approved by ICANN, as posted on our Web site or the ICANN Web site (located at www.icann.org). You agree that, by maintaining the services provided hereunder (which may include registration of a domain name) after such posting of any of the ICANN approved biz Policies, you have agreed to the terms and conditions of the same. You acknowledge that if you do not agree to the biz Policies, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

3. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the biz registry. We cannot control and will not be responsible for the actions or inactions of such third parties. For example, the biz registry has reserved the right to deny, cancel or transfer any domain name registration under certain circumstances. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the biz registry.

4. Multiple Phases of Services. Your application or registration (whether successful or not) for any .biz registry or biz TLD services hereunder does not guarantee, and we do not promise, that you will be approved or eligible for any other services available or that may become available through us or any third party. For example, certain services in the biz TLD are provided in sequential phases, and participation in one phase, does not automatically qualify you for participation in other phases, and any further participation is not automatic. The biz registry, and not VeriSign, determines the dates and times associated with the various service phases available in the biz TLD. You agree to review and become familiar with the information available on our Web site and on the biz Web site concerning the various phases and descriptions of services available in connection with biz TLD, and to regularly check for modifications and/or updates to such information, as the same may change from time to time. You agree that you are solely responsible for applying and/or registering for the service phases you desire to participate in. Additionally, you acknowledge and agree that submission of an application for domain name registration or any other services, does not guarantee that you will ultimately be the registrant for a particular domain name, even if you participated in some other service associated with the domain name, such as an intellectual property notification service or similar service.

5. Additional Acknowledgments Concerning Customer Information. You also acknowledge and agree that VeriSign will share with the biz registry certain information submitted by you in your application(s) for our services, as required by our agreement(s) with the biz registry or to provide the services you have applied for. You acknowledge and agree that any information we share with the biz registry may be used by them to fulfill the biz registry's service obligations to us or any third party. You hereby grant us and the biz registry a limited, royalty-free, non-exclusive worldwide license to use all of the data contained in a Trademark.

6. Disclaimer Concerning Intellectual Property Notification Service. Your participation in an intellectual property notification service or similar service DOES NOT PROVIDE YOU WITH ANY INTELLECTUAL PROPERTY PROTECTIONS OR REGISTRATIONS, NOR DOES IT PROVIDE YOU WITH ANY RIGHTS TO ANY PARTICULAR DOMAIN NAME REGISTRATION. THIS IS A NOTIFICATION SERVICE ONLY. EVEN IF YOU PARTICIPATE IN THIS SERVICE, YOU MUST STILL SUBMIT AN APPLICATION FOR DOMAIN NAME REGISTRATION SERVICES TO BE ELIGIBLE TO BECOME THE REGISTRANT FOR THE DESIRED DOMAIN NAME(S).

7. Survival of Terms. You agree that the indemnity provisions set forth in this Schedule shall survive any termination of the Agreement.

8. Terms of Use for IP Claim Service. The following additional terms apply specifically to the Intellectual Property Claim Service (in this Section 8 of this Schedule, the "Claim Service") made available in the biz TLD. For purposes of this Section 8 "Owner" shall mean the owner of a registered or common law trademark or service mark and "Agent" shall mean the duly authorized agent of an Owner (collectively "You"), and "Registrar" shall mean VeriSign. These Terms of Use will continue to apply to all past use of the Claim Service by You, even if You are no longer using the Claim Service. You acknowledge and agree that Registrar may terminate or block Your use of all or part of the Claim Service without prior notice for any reason, including, without limitation, if Registrar believes You have engaged in conduct prohibited by these Terms of Use. (a) The Claim Service. Registrar provides the Claim Service to holders of both registered and common law trademarks or service marks (collectively "Trademarks"). During the domain name application process, applicants for a biz domain name ("Applicants") will be notified of an Owner's alleged intellectual property rights in a Trademark if the domain name contained in the domain name application is an exact match of the Trademark identified in an IP Claim (as defined below) submitted by Owner. You may review frequently asked questions regarding the Claim Service by reviewing our FAQs. (b) License to Use Data / Privacy. By submitting an IP Claim, You hereby grant Registrar, as well as any of its agents or subcontractors and the biz registry, a limited, royalty-free, non-exclusive worldwide license to use all of the data contained in the IP Claim solely for the purposes of implementing the Claim

Service, processing Your IP Claim, notifying Applicants of Your IP Claim, and for notifying You of changes to the Claim Service, and for archival purposes.

(c). The IP Claim Process. In order to submit a claim with respect to a Trademark or Trademarks ("IP Claim") through the Claim Service, You must complete an IP Claim form for each Trademark. For each IP Claim, You must submit complete contact information, representative contact information and notification details, and the details regarding the Trademark. You may specify in the representative field that an Agent may receive legal correspondence regarding the IP Claim. Once You have submitted an IP Claim, you will receive a confirmation email and a claim number. You must retain the claim number for each IP Claim You submit. Registrar will accept IP Claims until July 9, 2001, or such later date as it may determine in its sole discretion ("Close of Phase 1") and no IP Claims will be accepted after that date. From the Close of Phase 1 until September 25, 2001 ("Phase 2"), or such other later date as Registrar may choose, in its sole discretion, the domain name applications from ICANN-approved registrars ("Applications") will be compared with the database of IP Claims processed through the Claim Service ("IP Claim Database"). For each exact match between an IP Claim in the IP Claim Database and a domain name application, the Registry Operator for Biz ("Registry Operator") will notify the Applicant that a third party or third parties have submitted an IP Claim for the exact Trademark. The email notification to the Applicant will include, among other things, the information provided by Owner in the IP Claim, instructions on how to proceed with the registration process, and that if selected during the randomized name selection phase ("Name Selection Phase"), the domain name will be placed on a temporary thirty (30) day hold when the Registry goes "live." The Applicant will have the option to proceed with the Application or cancel the Application. If the Applicant does not respond to the email notification, or elects to cancel the Application, the Applicant's domain name application will not be processed during the Name Selection Phase. If the Applicant chooses to proceed with the registration process and the name is selected during the Name Selection Phase, that domain name automatically will be placed on a thirty (30) day "hold period" when the name is registered. After Name Selection, the Owner will be notified by Registry Operator if an Applicant has successfully registered the domain name. The Owner will then have the option of contacting the Applicant and finding a solution or using the guidelines set forth by a special dispute resolution process called the Start-up Trademark Opposition Policy ("STOP") (formerly referred to as the Start-up Dispute Resolution Policy or "SDRP") (information available at <http://www.neulevel.com/countdown/stop.html>), or the Uniform Domain-Name Dispute Resolution Procedures ("UDRP") (information is available at <http://www.icann.org/udrp/udrp-policy-24oct99.htm>). You will not be notified if there are no Applications that exactly match an IP Claim You submitted in the IP Claim Database.

USE OF THE SERVICE DOES NOT GUARANTEE THAT AN OWNER WILL BE AWARDED THE .BIZ EXTENSION FOR ITS TRADEMARK. AN OWNER THAT WISHES TO OBTAIN A .BIZ EXTENSION FOR ITS TRADEMARK MUST FILE A DOMAIN NAME APPLICATION. DOMAIN NAME APPLICANTS WILL ONLY BE NOTIFIED OF APPLICATIONS THAT ARE EXACT MATCHES WITH A TRADEMARK IDENTIFIED IN AN IP CLAIM FORM. REGISTRAR WILL NOT VERIFY WHETHER A TRADEMARK CLAIMED ON AN IP CLAIM FORM CORRESPONDS WITH AN ACTUAL, LEGAL OR VALID TRADEMARK, NOR WILL REGISTRAR PROVIDE ANY LEGAL OVERSIGHT OR ADJUDICATION FOR ANY DISPUTED INTELLECTUAL PROPERTY IMPLICATED BY THE SERVICE.

(d). Conduct. You agree to be bound by the applicable provisions of the VeriSign Acceptable Use Policy, incorporated herein and made part of this Agreement by reference, in connection with your use of the services described in this Schedule.

(e). Fees. As consideration for the Claim Service, Registrar, or its agents or subcontractors may require you to submit and pay for each IP Claim individually or it may allow you store up a certain number of IP Claims before submitting them for processing. Once you have stored that number of IP Claims, you may not be able to store any additional IP Claims and may need to submit them for processing and pay the applicable fee before obtaining additional storage space. No refunds are permitted.

(f). Links. Some links on the Claim Service lead to sites posted by independent site owners. Because Registrar has no control over these sites, it cannot be responsible for such sites' accessibility via the Internet and does not endorse products, services, or information provided by such sites. As such, Registrar shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with, use or reliance on any content, goods or services available on or through any other site. Further, the inclusion of these links does not imply that the other sites have given permission for inclusion of these links, or that there is any relationship between Registrar and the linked sites.

(g). Modifications to the Claim Service. Registrar reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Claim Service (or any part thereof) with or without notice. You agree that you will not be liable to You or to any third party for any modification, suspension, or discontinuation of the Claim Services.

(h). Third Party Beneficiary. Registry Operator ("NeuLevel") is an intended third party beneficiary of these Terms and Conditions with rights to enforce these Terms of Use. You will cooperate in good faith with NeuLevel or Registrar in investigating instances of non-compliance with these Terms of Use, if NeuLevel or Registrar believes in good faith that you are not in compliance with these Terms of Use.

(i). You agree that Registrar and Registry Operator are not responsible for checking, verifying or editing message content or completeness, or for detecting errors or anomalies, or for recreating or re-transmitting data.

**SCHEDULE G TO VERISIGN SERVICE AGREEMENT
ADDITIONAL TERMS APPLICABLE TO SERVICES IN
CONNECTION WITH .INFO TLD.**

In addition to the terms set forth in Schedule A above, the following terms shall apply to .info domain names.

1. Additional Provisions. You acknowledge and agree to the following: (i) you acknowledge and agree that VeriSign will share with the .info registry certain information submitted by you in your application(s) for our services, and you consent to the use, copying, distribution, publication, modification and other processing of your personal data by the .info registry and its designees and agents in connection with the .info registry's service obligations to you or third parties, or as otherwise deemed necessary by the .info registry; (ii) you agree to submit to proceedings commenced under the Uniform Domain Name Dispute Resolution Policy ("UDRP") and the Sunrise Dispute Resolution Policy ("SDRP") (available at <http://www.afilias.info/faq/sunrise-challenge.html>), as these may be modified from time to time; (iii) you agree to immediately correct and update the registration information for your domain name registered hereunder during the registration term for such registered domain name; and (iv) you acknowledge that the .info registry will have no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the Sunrise Period or the Land Rush Period, including, without limitation: (a) the ability or inability of a registrant to obtain a registered domain name during these periods, and (b) the results of any dispute over a "Sunrise Registration."

If at the time of your application for services in the .info TLD, the SDRP has not yet been approved by ICANN (which may mean the SDRP is not available for viewing via live hyperlink above), you agree to be bound by the terms of the SDRP upon such approval and in the final form approved by ICANN, as posted on our Web site or the ICANN Web site (located at <http://www.icann.org>). You agree that, by maintaining the services provided hereunder after such posting of any of the ICANN approved SDRP, you have agreed to the terms and conditions of the same. You acknowledge that if you do not agree to the SDRP, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

2. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the .info registry. We cannot control and will not be responsible for the actions or inactions of such third parties. For example, the .info registry has reserved the right to refuse or cancel any Sunrise Registration at any time and to request additional information relating to a Sunrise Registration. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the .info registry.

3. No Guarantee on Registration. The .info registry, and not VeriSign, determines the dates and times associated with the various service periods available in the .info TLD. You agree to review and become familiar with the information available on our Web site and on the .info Web site concerning the various periods and descriptions of services available in connection with .info TLD, and to regularly check for modifications and/or updates to such information, as the same may change from time to time. You agree that you are solely responsible for applying and/or registering for the service periods you desire to participate in. You acknowledge and agree that submission of an application for domain name registration or any other services (regardless of when submitted), does not guarantee that you will ultimately be the registrant for a particular domain name.

4. Disclaimer Concerning Intellectual Property Protection. Your application for a Sunrise Registration DOES NOT PROVIDE YOU WITH ANY INTELLECTUAL PROPERTY PROTECTIONS OR REGISTRATIONS.

5. Use of Other Registrars. You agree that we may, but are not obligated to, submit your registration application and/or information through another ICANN accredited registrar ("Third Party Registrar") if we believe, in our sole discretion, that doing so will provide you with a better opportunity for successfully registering a .info domain name. Should our submission result in the registration of a .info domain name for you, you acknowledge and agree that you will also then be a customer of the Third Party Registrar through which your domain name is registered. If we do submit your registration application and/or information through a Third Party Registrar, and a .info domain name is registered to you through that Third Party Registrar, you agree that in addition to your agreement with VeriSign, you agree to be bound by the following terms and conditions in the Agreement with respect to the Third Party Registrar for so long as you are receiving registration services through that Third Party Registrar:

Section 1 of the Agreement;
Sections 3 through 29;
Schedule A (except Section 1 of Schedule A); and
This Schedule.

You agree that VeriSign shall have the right, but not the obligation, to submit a change of registrar request to the Third Party Registrar, if any, through which your domain name is registered to transfer the sponsorship of your domain name to VeriSign at any time after the expiration of 60 calendar days from the registration of the domain name, and you hereby authorize and direct VeriSign to effect such a transfer if VeriSign decides, in its sole discretion, that it wishes to effect such a transfer. You will not be required to pay any transfer or new service fees to effect the transfer.

**SCHEDULE E TO VERISIGN SERVICE AGREEMENT
ADDITIONAL TERMS APPLICABLE TO SERVICES IN
CONNECTION WITH .NAME TLD.**

In addition to the terms set forth in Schedule A above, the following terms shall apply to .Name domain names.

1. Eligibility Requirements. You represent and warrant that every registration you are applying for in the .name top-level domain ("TLD") satisfies the eligibility requirements ("Eligibility Requirements") established by Global Name Registry Ltd., the registry for the .name TLD, which are available at the following URL: <http://www.icann.org/lds/agreements/name/registry-agmt-03ju01.htm>.

2. Dispute Resolution Policies. You agree that every service for which you register is subject to the Uniform Domain Name Dispute Resolution Policy (the "UDRP") and the Eligibility Requirements Dispute Resolution Policy (the "ERDRP"), which are located at <http://www.icann.org/lds/agreements/name/registry-agmt-03ju01.htm>. Without limiting the foregoing, you agree that (i) every Defensive Registration is subject to challenge pursuant to the ERDRP; (ii) if a Defensive Registration is successfully challenged pursuant to the ERDRP, the Defensive Registration Holder will pay the challenge fees; (iii) if a challenge to a Defensive Registration is successful, the Defensive Registration will be subject to the procedures described in the ERDRP and the Eligibility Requirements including, without limitation, the cancellation of the Defensive Registration Holder's other Defensive Registrations; and (iv) if a Phase I Defensive Registration (as defined by the .name registry) is successfully challenged on the basis that it does not meet the applicable eligibility requirements, the Defensive Registration Holder will thereafter be required to demonstrate, at its expense, that it meets the eligibility requirements for Phase I Defensive Registrations for all other Phase I Defensive Registrations that it registered within .name through any registrar. In the event the Defensive Registration Holder is unable to demonstrate the foregoing with respect to any such Phase I Defensive Registration(s), those Defensive Registration(s) will be cancelled.

3. Limitation of Liability. In addition to the other limitations of liability contained herein, you agree that neither the .name registry nor VeriSign shall have any liability of any kind for any loss or liability resulting from (i) the processing of registration requests prior to live SRs launch, including, without limitation, your ability or inability to obtain a Registered Name, a second-level domain e-mail address registration (an "SLD E-mail Address"), a Defensive Registration, or a NameWatch Registration using the services provided by VeriSign or the .name registry; or (ii) any dispute over any Registered Name, SLD E-mail Address, Defensive Registration, or NameWatch Registration, including any dispute resolution proceeding related to any of the foregoing.

4. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the .name registry. We cannot control and will not be responsible for the actions or inactions of such third parties. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the .info registry.

**SCHEDULE Q TO VERISIGN SERVICE AGREEMENT
ADDITIONAL TERMS APPLICABLE TO SERVICES IN
CONNECTION WITH .US TLD.**

In addition to the terms set forth in Schedule A above, the following terms shall apply to .US domain names.

1. Nexus Requirements/Certification. You certify that you have and shall continue to have a lawful bona fide U.S. nexus, as required by the US top-level domain ("TLD") administrator, Neustar, Inc. ("US Registry"), and that you meet all of the US nexus requirements ("US Nexus Requirements") set forth below (and as represented by you in the registration application information provided by you to VeriSign). You must be (and you certify that you are) either:

A. A natural person (i) who is a United States citizen, (ii) a permanent resident of the United States of America or any of its possessions or territories, or (iii) whose primary place of domicile is in the United States of America or any of its possessions [Nexus Category 1]; or

B. An entity or organization that is (i) incorporated within one of the fifty (50) U.S. states, the District of Columbia, or any of the United States possessions or territories or (ii) organized or otherwise constituted under the laws of a state of the United States of America, the District of Columbia or any of its possessions or territories [Nexus Category 2]; or

C. An entity or organization (including a federal, state, or local government of the United States, or a political subdivision thereof) that has a bona fide presence in the United States of America or any of its possessions or territories [Nexus Category 3]. If you are claiming Nexus Category 3, you certify that you have a "bona fide presence in the United States" on the basis of real and substantial lawful contacts with, or lawful activities in, the United States of America.

2. Name Servers Certification. You certify that the name servers listed by you in connection with your application for domain name registration services in the .US TLD are located within the United States.

3. Your obligation to satisfy Nexus Requirement. You acknowledge and agree that it is your responsibility, through the registration process (and, if applicable, as required subsequent to your application), to provide the information necessary to satisfy the US Nexus Requirements, and that a failure by you to satisfy the US Nexus Requirements may result in, among other things, (i) the domain name application(s) being rejected by VeriSign and/or the US Registry, (ii) the domain name(s) being placed on "hold" by VeriSign and/or the US Registry, and/or (iii) the domain name(s) being deleted by VeriSign and/or the US Registry. Neither VeriSign nor the US Registry (nor any other entity or person) shall be liable to you for any actions or inactions of any of them resulting from your failure to provide all required US Nexus Requirements information at the time of registration (or, where applicable, subsequent to registration), and none of them shall have any obligation to request or attempt to obtain from you additional information to establish your compliance with the US Nexus Requirements, even if the need for such information is known by any of them.

4. Nexus Dispute Policy. You agree to be bound by the Nexus Dispute Policy ("NDP") administered by the US Registry (or a third party designated by the US Registry), which policy and its applicable forms are located on the US Registry's web site at the

URL: www.neustar.com. You agree to abide by all decisions rendered by the US Registry (or its third party designee) in connection with the NDP.

5. Dispute Resolution Policy. You agree that you are bound by the United States Dispute Resolution Policy set forth on the US Registry's website at the URL: www.neustar.com.

6. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the US Registry. We cannot control and will not be responsible for the actions or inactions of such third parties. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the US Registry (for example, the US Registry reserves the right to deny, delete, transfer or freeze any domain name registration for a variety of reasons, none of which VeriSign can control).

7. Accurate Information. Without limiting the other provisions of the Agreement, your willful or grossly negligent provision of inaccurate or unreliable information, or your willful or grossly negligent failure promptly to update information provided to VeriSign shall constitute a material breach of this Agreement and shall be a basis for cancellation of the domain name(s) applied for hereunder.

8. Application Submission. You acknowledge and agree that VeriSign, Inc. (as the parent company) will be submitting your US domain name application(s) to the US Registry through VeriSign US Registrar, Inc., and that all applications submitted by you hereunder (except for Sunrise applications, where applicable) will be submitted by VeriSign US Registrar or after the date upon which the US Registry goes live.

**SCHEDULE R TO VERISIGN SERVICE AGREEMENT
CHANGE OF REGISTRAR SERVICE**

1. In addition to the terms in Schedule A (and the other applicable Schedules, if any, of the Agreement), the terms of this Schedule shall apply to all applications for a change of registrar to VeriSign. This Schedule to the Agreement is submitted for the purpose of applying to change the registrar of record of a domain name to Network Solutions, Inc., a VeriSign company. The term "domain name" refers to the domain name identified in your Change of Registrar Application. The term "updated registrant" refers to the person or entity identified as the updated registrant in your Change of Registrar Application, if any.

2. You represent and warrant that: (a) the information provided to VeriSign in connection with your application is accurate and complete; (b) you are the rightful holder of the registration for the domain name; (c) the registrar of record for the domain name as of the date of this request is the current registrar; (d) you are not in default on any obligations you may owe to the current registrar; (e) you are not the subject of any pending bankruptcy proceedings; (f) you are not party to any dispute resolution proceeding concerning your use or registration of the domain name; (g) you are not in default on any obligations you may owe to VeriSign; (h) the domain name is not the subject of any collection proceedings, including garnishment, attachment, levy or otherwise. The individual submitting this request represents and warrants that he/she is authorized to request a change of registrar and to apply for our registrar services.

3. You request that we provide registrar services for the domain name. In furtherance of your request, you have applied for our registrar services. We will have no responsibilities as registrar of the domain name unless and until we send you or the updated registrant, as appropriate, notice of acceptance of the Application.

4. You authorize us to take all actions necessary to become the registrar for the domain name, including transmitting to the appropriate Registry a request to change the Registry database to reflect Network Solutions as the registrar of record. You acknowledge and agree that we shall not be responsible for any legal obligations you may owe to any third party, including the current registrar. You further acknowledge and agree that you are not entitled to a credit from us for any sums you may have paid the current registrar.
